Student Driver Regulations

Secondary Student Handbook and Policy Manual, pages 39-40

1. Students who drive to school must immediately park in the areas designated for student parking. Once cars have been parked, they may not be removed during the school day without the permission of the school.
2. There is to be no loitering in the parking lot. Students must enter the building upon arrival at school and not return to their cars until they are ready to leave campus.
3. Students needing to leave campus during regular class hours must receive written permission from the parent and approval from the administration. Students must sign out and sign in on the office log sheet.
4. Extreme caution is to be exercised at all times when driving in the parking lot. Drive slowly and carefully and always give pedestrians the right-of-way. **All students and parents driving on school grounds must adhere to the fifteen-mile-per-hour (15mph) limit.**
5. Students who are in violation of the parking policies or drive recklessly on the school grounds will receive disciplinary action and may lose their driving privilege for a specified period according to the following guidelines:
 - a. First violation – a two week suspension from driving
 - b. Second violation – a one-month suspension from driving
 - c. Third violation – suspension from driving for the remainder of the school year
6. Students are not permitted to leave the school grounds early without permission.
7. Students dismissed from school must leave the school grounds unless supervised.

I have read and understand the regulations concerning student drivers. I agree to abide by all guidelines and regulations.
